INTERVIEW SUMMARY

Sir:

On July 11, 2006 the undersigned had a telephone conference with the Examiner Sandra O'Shea. During that telephone conference it was pointed out that the PTO apparently did not debit Applicant's deposit account for extra claim fees presented in an amendment mailed March 3, 2006. According to Applicant's calculations, an extra claim fee of \$2,000 should have been debited to Deposit Account No. 50-3213 (Epson R&D). The authorization to debit this deposit account is found on the transmittal form that accompanied the amendment. Examiner O'Shea said that she would take the appropriate action to ensure that Applicant has paid the proper fees.

Favorable consideration of this application is respectfully requested.

Respectfully submitted,
